ANOTHER RACING FABLE.

The cheap comment on racing happenings is illustrated over the St. Louis happening of last Monday. A Cincinnati crew got a "flash" about Palmerston's win at Oakland and won a few hundred dollars. It was inside \$2000 and a steal. The "news" declared the raid to be one of some \$15,000 and accused the St. Louis rooms of "welching" on the Palmerston tickets. The Hayden & Schreiber room was included and listed for a loss of \$5,000 or so. As a matter of fact the Hayden & Schreiber room lost some \$800 over the Palmerston race, held the bets less than twenty-four hours and then—as it was bound to do after accepting the bets—paid off. The Cincinnati crowd confessed before it collected.

THE NEW EASTERN RULES.

With a few changes the proposed amendments to the Rules of Racing by the Jockey Club were adopted at a meeting held Friday.

The proposed amendments to the rules, which have appeared in The Sun, were, with the exception of a few changes, adopted.

The principal alteration was in the wording of the amendment which related to horses having "dope" administered to them. As the original rule made it a case of being ruled off for giving to an animal a dose of whiskey or coffee, a change was made excepting these stimulants.

It was also resolved that the new rule prohibiting races at less than five furlongs being run after July 1 should not apply to stakes now opened.

Immediately after the meeting of the members the stewards went into session.

The application of the Brighton Beach Association and the Queens County Jockey Club for permission to make an exchange of racing dates was discussed. It was decided not to grant the application, because it was considered that owing to the original dates of the associations having been accepted the plans of owners and trainers had been largely formulated.

NOTES OF THE TURF.

The probable starters in next Saturday's four mile Thornton Stakes at Oakland are Damien, Thornhill, Lobengula, Schuler, Rey del Bandidos, Redskin, Marcel and Wheel of Fortune.

Free Advice in the Whitten-Ryan Stable last year has been turned over to the new Bromley & Co. Stable of Chicago, which Charles Hughes is to train and for which Scherrer will ride.

Peep o'Day was said to be most wonderfully improved and the talent is touting him as having a great chance for the Suburban and Brooklyn Handicaps.

Memphis has chosen Col. L. M. Clark for president, Kit Chinn for starter and will use the Maxwell starting machine.

DAILY RACING FORM erred in the pedigree of Barney Schreiber. He is a chestnut gelding by Kylo—Little Girl.

Bill Brien has been engaged to train the Hankins & Johnson horses this season and is here among them.

D. A. Boyle is to train for J. E. Seagram this year and Havoc has been added to the Seagram string.

The American Sporting Manual

A YEAR BOOK AND COMPENDIUM OF RECORDS

The Manual will be: A Book for the Pocket.
A Book of Authority.
A Comely Book. A Cheap Book.

It will contain all general sporting records in use. All American Turf
Records. All American Track Records. A twenty-page history
of all the prize fights and boxing matches of 1896, from January
1 to December 31, 1896. Two handicap tables; one reproduced
from the American Racing Manual, and a new one of even sharper
application to racing, never before published.

The Manual will contain the 1896 figures of Baseball, Aquatics, Football, and
Athletics in general—racing, trotting, pacing and all departments of
sporting. Within The Manual's covers will be 100 pages of pure sporting figures.

The American Manual's handicap tables alone are such as have been usually sold at \$50 and
\$100 each. With them are published explanatory keys and three races which
have been run and to which the figures have been applied. These keys show
horses, estimate of ability on past races, figures on the race to be run and
their position in race to which figures were fitted.

Table No. 2 is entirely new. The track records and time estimate in the book are
the result of nine months daily work of five experienced men.
